RE: Cultural Resources Concurrence Report, Ash Grove Cement, Leamington Quarry,
M/023/0004, Juab County, Utah

In reply please refer to Case No. 11-1330

Dear Mr. Baker:

Paul

The Utah State Historic Preservation Office received your request for our comment on the above-referenced undertaking on June 21, 2011. From the information you provided, it appears that no cultural resources were located in the undertaking's Area of Potential Effects. We therefore recommend a determination of No Historic Properties Affected §36CFR800.4(d)(1) for the undertaking, instead of No Adverse Effect.

This letter serves as our comment on the determinations you have made, within the consultation process specified in §36CFR800.4. If you have questions, please contact me at 801-533-3555 or Jim Dykmann at 801-533-3523.

Sincerely,

Lori Hunsaker
Deputy State Historic Preservation Officer
